

Lovings' January - February 2012 Praise & Prayer

Another year to serve our Lord! Maybe we or someone reading this will see Him face to face *this* year. If He doesn't return for us, we are looking forward to these events this year:

- Two Total-ItUp! courses: June 3-8 and July 22-27
- Our granddaughter Alyssa graduating from University in July
- Having my current book accepted by Destiny Image

Last year I received an email from Jim Jacob, Esq. asking if I was the Aretta Loving who had worked in PNG with the Awas who didn't celebrate Christmas or Easter but they celebrated the Jewish festivals! (He read that on the Internet. But remember, as Abraham Lincoln said, "You can't believe everything you read on the Internet!" :-)

Most of you know that the Awas had never heard of Jesus (except as a swear word) or of Jewish people! I'm now corresponding with Jim who is a Messianic Jew. He has written a book called *A Lawyer's Case for God*. The book answers the questions:

Does God exist?

Is the Bible true?

And challenges the reader to:

Examine the evidence.

Render your verdict.

Jim sent me a box of his books, and I'm giving them out to those who know Jewish people who haven't come to the Messiah – Jesus! Today I gave a coworker one, after she told me that a Jewish woman came to her Bible study when they were studying Esther. They finished that, then went to the New Testament. The woman told the group she did not believe that Jesus was God. And that day the lesson was – you guessed it – “Jesus is God!” She left the meeting...and hasn't returned. But recently she called our coworker and wanted to have lunch with her!

PRAISE:

- that Ed still is in very good health and that I am in fairly good health!

PRAYER:

- for a “Prayer Walk” at the Ukarumpa kindergarten and grade school in PNG, January 30.
- that my book *Immersed in the Light, Psalm 139:11,12B, The Message*, will be accepted by Destiny Image!
- that the Jewish woman will accept one of Jim's books from our coworker and read it!

Thanks for your prayers!
